

All Cooped Up 4-H Club

All Cooped Up has been in existence well over 20 years. We love to see generations of families remain as well as welcome any new members. Not only do we encourage our kids to enjoy their animals, but to understand that raising an animal is quite educational. The younger members work with senior members to help further their skills.

When Club Meets: Once a month on Tuesdays starting in February. Meeting times from February to May are from 4:30-6:00 p.m. and from June to September from 7:00-8:30 p.m. Our meetings are normally held at the Geauga West Library and Sunnybrook Preserve. Additional meetings will be scheduled if necessary.

Advisors: Linda Hickey

Club Projects: Fancy chickens/ducks as well as Market chickens/ducks and turkeys. All 4-H participants are required to complete a book for their animal project. We also like to advise our members that they may take on additional projects such as cooking, scrapbooking, etc. The yearly Family Guide handed out at our first meeting and/or available online can assist you in your choice if you choose to do so.

Club Activities: During our monthly business meetings, we also learn about all aspects of poultry, including proper care, disease prevention, raising market poultry, showing all types of poultry, and different careers related to poultry. Part of 4H involves helping our community, and some recent activities our club participated in include helping at local pancake breakfasts, donating to local food pantries and roadside trash clean up.

How to Join: Call Linda Hickey at 440-285-5387
