

Buckeye Bunnies 4-H Club

The Buckeye Bunnies 4-H Club was founded in 2014 and received the distinction of being an Honor Club. Our club focuses on rabbit education, hands on-learning, character development, and having fun.

Club Meetings: Meetings are from February through October and we have a Holiday Family Party in December. Meetings currently are on Tuesdays (2016), but may change in the future due to advisors and members schedules. During the school year we meet once a month and meet twice a month in the summer.

Advisors: Susan Pohto (Head Advisor) and Andrea Ballas

Club Projects: Rabbit Projects

Club Activities: We marched in the Maple Festival Parade with other Geauga County 4-H Clubs. We also did several community service projects, including painting the bleachers at the fairgrounds. Several members with their rabbits participated at the Ohio State Fair in Columbus, Ohio in August.

How to Join: If you are interested in joining please contact Susan Pohto at 440-785-2837 or spohto@live.com.
