

CFAES

OHIO STATE UNIVERSITY EXTENSION

Geauga Engineering and Robotics 4-H CLUB

The club was founded in 2014. We focus on the field of engineering, especially electronics, computer programming and robotics. We have programs for members third grade through high school and we are the only engineering club in Geauga County.

When/Where the Club Meets

Business meetings are held the 4th Wednesday of the month, January through August at the Orchard Hills Center in Chesterland. Weekly project meetings are held in our lab to small groups of members.

Advisors

Adrienne La Favre, Jeff La Favre, Richard Ivans, Jim Kay, Paul Harris, and Bill Patterson

Club Projects

Electronics, Engineering and Robotics

Club Activities

Completion of the club curriculum including building circuit and robots. Our members participate in the Kiwanis Club of West Geauga Science and Engineering Contest. Each year our members attend the National Robotics Challenge (NRC). In 2018, our members won five awards at the NRC, including the Honda Innovation Award, the highest award at the NRC.

How to Join
