

Greener Fields 4-H Club

Greener Fields was founded in 2010 and is a group that loves animals and miscellaneous projects. We believe in 4-H and what it stands for and do a lot of community service. We have great members and families and have a lot of fun together.

When Club Meets: The first Tuesday of the month at the Auburn Town Hall. We also meet at the fairgrounds and Geauga Park District parks throughout the summer. Attendance at a percentage of meetings is required, as is community service, to participate in the fair.

Advisors: Christine Belliveau and Wendy Mesnick

Club Projects: Rabbits and poultry--for poultry, members do fancy and egg-laying projects and market turkey, chicken and ducks. Many members do misc. projects such as scrap booking, cake decorating, rocketry, gardening, and woodworking.

Club Activities: For Ohio 4-H week, we decorate a local business window every March. In April, we march in the Maple Festival Parade. We run a 4-H food drive, in partnership with Dr. Augustine Kellis, to benefit the 7 food pantries served by the Geauga Hunger Task Force. We have given hundreds of food items and raised thousands of dollars. Dr. Kellis does a 100% match on what we raise. Our members enjoy our annual visit to a local nursing home and our August improvement project at and for the fairgrounds. Community service is important to our club. Some of our social activities include going to a drive in movie and/or club cookout in the summer, a potluck at the fair, an ice cream party in October, and a Christmas party in December. Members are also active in Junior Fair Board and as camp counselors at 4-H camp.

How to Join: Please contact Christine Belliveau at (440) 635-0184
