Greener Fields 4-H Club

Who We Are: Greener Fields was founded in 2010 and is a group that loves animals and miscellaneous projects. We believe in 4-H and what it stands for and do a lot of community service and have fun together. We are a 4-H Honor Club.

When the Club Meets: The first Tuesday of every month at the Auburn Town Hall.

Advisors: Meg Obringer and Christine Belliveau

Club Focus: Rabbits and poultry--for poultry, members do fancy and egg-laying projects and market turkey, chicken, and ducks. Many members also do misc. projects such as scrap booking, cake decorating, rocketry, gardening, and woodworking.

Other Club Activities: We support Totally Dogs 4-H and the Geauga K-9 Unit, Wags for Warriors, and the Geauga Dog Warden by donating a basket for their yearly fundraiser. We march in the Maple Festival Parade with the Bunny Bunch. Food and money are collected for the Burton Food Pantry several times a year. Our members enjoy our annual visit to Briar Hill with our rabbits. Every summer we do a project at and for the fairgrounds with the Bunny Bunch. Some of our social activities include a club potluck at the fair, ice cream social in October, club Christmas party, and going to the drive-in for a movie in the summer. Members are also active in Junior Leadership club, Junior Fair Board, and 4-H Camp.

How to Join: Contact Meg Obringer at (440)708-1790.
