### NEW FOR 2022

Market livestock project judging scores will be given to the Geauga County Jr. Fair to assist with determining the livestock sale order.

### Online Skillathon Test Project Judging

Project completion tests are an Ohio 4-H approved skillathon test. Completion of test and project book reviewed by the club advisor results in project completion for 2022.

- Tests are age based not years in project.
- Tests are species based. Ex: All goat projects (pygmy, pack, meat, etc.) will take the Goat test.
- Members complete one test per species.
- Youth must correctly enter an email address to have their score emailed to them. Please print a copy of the email for your records and to share with your club advisor.
- There is no time limit for the test and a while a minimum score is not required, members should still take this method of project completion seriously
- Members can take the tests from any computer or smartphone. Youth are welcome to take their tests at the Extension Office if they need assistance. Prior arrangements must be made.
- Youth must complete the entire test in one sitting. Partial tests will be scored.
- Youth should only take the test one time. The first test score recorded will be the official score.
- \*\*\*Market project test scores will be shared with Jr. Fair to assist with the livestock sale order.

*Scenario: Dakota's 4-H age is 16. This is his second year in Market Ducks, fifth year in Market Turkey, and first year in Beef Breeding. To complete project judging, Dakota's club advisor will review his books and he will complete the Poultry Senior Test and Beef Senior Test.*

### Late Project Completion: July 18-21.

- Youth who fail to complete their judging by the deadline must contact the Extension Office.
- Youth must complete their judging tests at the Extension Office during regular office hours by appointment only.
- There is a \$25 per project late fee for completion after July 15<sup>th</sup>.
- Late judging scores will NOT be shared with Jr. Fair.

Members must complete project judging to complete their 4-H project. Completion is also required to exhibit at the Geauga County Fair as a 4-H member. As always, fair participation is not a requirement for Geauga 4-H project completion. Contact the Geauga County Extension Office with any questions at (440) 834-4656 regarding judging completion.
