- Take a selfie or picture of your 4-H project exhibit as your cover.
- Finally, they edit your display name (FIRST & LAST NAME) and add a title.

ADDING AN ATTACHMENT...
- Utilize Google Slides, Prezi another mainstream cloud-based presentation software to create an e-poster.
  - E-posters may not include more than 15 slides or advancements.

- Include photos of your project and/or exhibit --including menus or other exhibit components.
- Copy and paste e-poster URL in LINK
- Publish to the customized 4-H project grid.

E-POSTER DESIGN TIPS
- When choosing a design background, maintain that same background throughout the slides.
- Do not pack too much information on one slide.
- Limit the use of wild colors and animations -- they could be a distraction from your message.
- Use appropriate fonts, colors, and pictures that match your topic – continue color scheme throughout.
- Make sure audience can read your slides.
