Did you know?

Did you know one in every 5 people in Geauga County have low enough incomes that they qualify for food assistance?

Due to the pandemic, requests for food assistance are now the number one request for help!

There were 13,750 visits to GHTF pantries in 2020.

Our mission, along with GHTF, is to ensure no resident of Geauga County goes hungry.

100% of food and monetary donations stay in Geauga County.

The GHTF supports 5 food pantries in Geauga County.
