

Geauga County 4-H

Project Judging Information 2023

Project judging must be completed by
11:59pm, July 15th.

Geauga County 4-H Online Livestock Project Judging 2023

Beef, Dairy, Dog, Goats, All Poultry, Rabbits, Sheep, and Swine
No in-person project completion for livestock projects.

Project judging will be open from 12:01am July 1 through 11:59pm, July 15.
Do not wait until the last minute. The system will automatically close at 11:59pm, stopping any in-progress activity, resulting in an incomplete test.

Online Skillathon Test Project Judging

Project completion tests are an Ohio 4-H approved skillathon test. Completion of test and project book reviewed by the club advisor results in project completion for 2023.

- Tests are age based (4-H Age), not years in project.
- Tests are species based. Ex: All goat projects (pygmy, pack, meat, etc.) will take the Goat test.
- Members complete one test per species.
- Youth must correctly enter an email address to have their score emailed to them. Please print a copy of the email for your records and to share with your club advisor.
- There is no time limit for the test and a while a minimum score is not required, members should still take this method of project completion seriously.
- Project judging scores may be taken into consideration for year-end awards.
- Members can take the tests from any computer or smartphone. Youth are welcome to take their tests at the Extension Office if they need assistance. Prior arrangements must be made.
- Youth must complete the entire test in one sitting.
- Youth should only take the test one time. The first test score recorded will be the official score.
- Technical difficulties must be communicated to the Extension Office **prior** to the deadline.
- Failure to complete project judging, whether technology related or not, results in an incomplete project.
- Do not wait until the last minute. The Extension Office is closed on Saturdays, so help will not be available the last day.
- All tests are date/time stamped.

Scenario: Dakota's 4-H age is 16. This is his second year in Market Ducks, fifth year in Market Turkey, and first year in Beef Breeding. To complete project judging, Dakota's club advisor will review his books and he will complete the Poultry Senior Test and Beef Senior Test.

Late Project Completion: July 17-21.

- Youth who fail to complete their judging by the deadline must contact the Extension Office.
- Youth must complete their judging tests at the Extension Office during regular office hours by appointment only.
- There is a **\$25 per project late fee** for completion after 11:59pm on July 15th.

Members must complete project judging to complete their 4-H project. Completion is also required to exhibit at the Geauga County Fair as a 4-H member. As always, fair participation is not a requirement for Geauga 4-H project completion. Contact the Geauga County Extension Office with any questions at (440) 834-4656 regarding judging completion. The Extension Office cannot answer Jr. Fair/Livestock Sale related questions.
