Poultry Project Judging (Skill-a-thon) Study Guide 2021

The poultry project judging skill-a-thon will be available July 1-17, 2021. All 4-H members taking any poultry (all poultry: chickens, ducks, turkeys, etc) project are required to take the skill-a-thon as part of their project completion and 4-H eligibility to participate in the Geauga County Fair. Scores will be given at the completion of each test. These scores are for completion purposes only.

Topic - Record Keeping
Record keeping is an important part of every project and you should be keeping records on your project. You will need to know why records are important to keep and what type of records should be kept. Your club advisor should review your book and sign off on its completion for the 2020 project year.

Topic – Body Parts
Juniors may be asked to identify parts of the wing. Intermediates may be asked to identify parts of the feather.

Topic – Diseases
Seniors may be asked to identify up to 10 poultry diseases and/or parasites.

Topic – Animal Health & Care
Juniors, Intermediates, and Seniors may be asked questions regarding poultry health and care.

Topic – Medication Label
Intermediates and Seniors may be asked questions by reading a medication label.

Topic – Brooder Scenarios
Juniors may be asked to identify various brooder scenarios.

Topic – Feed & Feed Tags
Juniors may be asked to answer questions by reading a feed tag and/or identify common feeds. Intermediates and Seniors may be asked to answer questions by reading a feed tag and/or identity common feeds and additives.

Topic – Project Knowledges
All members may be asked general questions about their project. This portion is fill in answer.
