The Ohio State University Extension Volunteer Selection Policy & Procedures

Frequently Asked Questions.

Can you provide an overview of what the new policy and procedure will require?

Each new volunteer will: (1) receive a position description at time of application or when changing position; (2) complete an application in it's entirety; (3) have, at minimum, two references collected; (4) complete an interview; (5) successfully pass a criminal history fingerprint background check; and (6) read, agree to, and sign a Standards of Behavior.

What happens if a potential volunteer refuses to complete any part of the required policy or procedures?

Individuals must fully complete all requirements in order to be considered for acceptance as a volunteer for Ohio State University Extension. Individuals not fully completing all requirements will not be accepted to volunteer by the organization.

Who determines if a potential volunteer is going to be accepted or not accepted?

The appropriate Ohio State University Faculty or Staff member will make the final decision of acceptance or non-acceptance, based on information collected throughout the selection process.

We are attempting to determine when it is necessary for an individual, who considers themselves a “parent helper” to complete the OSU Extension volunteer process.

First, we must recognize that it is sometimes difficult to distinguish between the two, however answering the following question may provide some clarity: (1) does the individual provide on-going support, leadership, supervision or guidance to children, other than their own and on two or more occasions each year? If the answer were yes, then the individual would need to complete the volunteer selection process. Please know that this same scenario may be used for any member of a vulnerable population, not just a 4-H club!

What happens if there is a conviction on the record of a potential volunteer?

Current legislation outlines fifty offenses that are considered automatically disqualifying offenses. Offenses beyond the fifty listed will be evaluated individually and decisions will be based on the nature of offense, time since offense, rehabilitative action taken and/or completed by the individual, and relationship to potential volunteer responsibilities.

We have potential volunteers that were fingerprinted in the last 12 months and they are bringing a copy of their report to our office. What do I do with them?

Please just send the reports to the State 4-H Office and we will make sure they are filed with all other reports and appropriately entered into our database.

How long does it take to receive the results on an individual's civilian background check?

We are experiencing a 3 to 4 week turn-around time for results once they are submitted to the Bureau of Criminal Investigation & Identification (BCI&I). Those individuals who use the web-check system are getting results slightly quicker. It is important to remember that the county Extension professional is responsible for submitting the list of individuals that have submitted fingerprints to the State 4-H Office. Once the State 4-H Office receives results, they can then match results with the correct individuals and counties and report to the appropriate county.

Is there a rescreening process?

Yes, all active 4-H volunteers must resubmit for a background check every four years.

GEAUGA COUNTY 4-H VOLUNTEER

Procedure for Background Check & Interview

Where can I get my fingerprints taken?

Because the Ohio State University Extension submits more than 200 requests for background checks through BCI&I, since February 1, 2006, all background checks must be submitted electronically. This can either be done through WebCheck or other approved methods. We understand that there will be times when an ink-rolled fingerprint card will need to be submitted. These situations will be evaluated on an individual basis and will require submission of a waiver form with each card. Waivers will be granted for the following reasons:

1. Applicant's home address is 75 miles or more from the nearest WebCheck location.
2. Amputations or missing digits
3. Out-of-state applicant
4. Poor quality prints (not able to capture at the WebCheck location)

All OSU Extension volunteer will have their background check run using "reason code" 2151.86 (this refers to a specific section of the Ohio Revised Code).

Available location: Geauga County Educational Service Center (Board of Education)
470 Centers Street, Building 2
Chardon, OH 44024
440-279-1700
Hours: 8:00am – 2:30pm

Volunteers are encouraged to contact the Board of Education for payment information.
* Potential volunteers are required to pay *all* fees associated with the selection process.

Where do I send my results?

All fingerprint reports should be sent to: Background Checks – 4-H Geauga County
OSU Office of Human Resources
1590 N. High St. Suite 300
Columbus, OH 43201

Scheduling your interview.

It is the responsibility of the applicant to contact the Geauga County Extension Office at (440) 834-4656 to set up an interview only after he/she has submitted their application and has completed the background check.
