

2026 Northeast Ohio

Pesticide and Fertilizer Recertification Sessions

PRIVATE PESTICIDE APPLICATOR RECERTIFICATION

Does your Private Pesticide Applicator License expire on March 31, 2026? If so, OSU Extension in Northeast Ohio has three face-to-face trainings and one webinar pesticide recertification session available for applicators. Each of these sessions will offer 3 credits for pesticide recertification for CORE and all categories (1-7). Private Pesticide Applicants are encouraged to choose a session to attend. COST: \$40/Person

FERTILIZER APPLICATOR RECERTIFICATION

Does your Private or Commercial Fertilizer Applicator Certification expire in 2026? A one-hour session will be held immediately after the pesticide session for those who need to renew their Fertilizer Applicator Certification. COST: \$10/Person

Register online at go.osu.edu/NEOPAT2026 or fill out the attached form and mail the form and payment payable to OSU Extension, Geauga County, PO Box 387, Burton, OH 44021.

2026 Northeast Ohio

Private Pesticide Applicator Recertification and Fertilizer Applicator Recertification Sessions

If you are unable to register online, please fill out and mail in this form to register for one of the recertification sessions. The registration fee is \$40 per person for the private pesticide applicator recertification. The registration fee is \$10 per person for the fertilizer recertification session. Pre-registration must be received 7 days prior to the session date to avoid the late fee of \$25. Make checks payable to OSU Extension and mail to OSU Extension, Geauga Co., P.O. Box 387, Burton, OH 44021. For more information or any questions, contact OSU Extension, Geauga Co. 440-834-4656.
