

2019 Northeast Ohio Private Pesticide Applicator Re-Certification & Fertilizer Application Re-Certification Sessions

Private Pesticide Applicator Re-certification- Does your Private Pesticide Applicator's License expire on March 31, 2019? If so, OSU Extension in Northeast Ohio has planned four pesticide re-certification sessions for producers. Each of these sessions will offer 3 credits for pesticide re-certification for CORE and All Categories (1-7). Private Pesticide Applicators are encouraged to choose the session which best fits their schedule. **Cost - \$35/Person**

Fertilizer Applicator Re-Certification- Does your Private or Commercial Fertilizer Applicators Certification expire soon? A one-hour session will be held during the same day and location for those who need to renew their Fertilizer Application Certification. **Cost - \$10/Person**

Program Dates:
